Several of you have taken us up on calling our call-in/voicemail line, and we appreciate that very much. We welcome all comments and opinions! If you've got something to say: to rant on a particular subject, to phone in a hidden talent, to share a funny story or joke, or even just to do a little self promotion--call today! Your message could be played on a future show!

626-387-3773

We've heard you, caller from Northern Utah, another new show is coming very soon!
